FROM THE HEART OF THE BOARD

“Work On and With Those Whom I Highlight”

These words “work on and with those whom I highlight” were spoken by God during the times of fasting in 2024. God encouraged us to identify and collaborate with people the Bridge Networks can work with, and accelerate to change our world in 2025. Our close partners in 2025 include: Coretek Cares, Extreme Engineering, Integrity International, Dream Life Decoded, Ekklesia Rising, BUF of MI, Heaven Culture and LOGOS Global Ministries.

FROM ARTHUR & SHARI

January is a month of new beginnings at The Bridge Networks. As we begin a new **Embassy Training Center in the Dominican Republic** and launch our new CAVU Media packages for churches and NPO’s, we are seeing multiplication in all our efforts. Thank you for your prayer, support and doing “Kingdom” life with us as you read through the 2024 year in review and stories in this newsletter.

Please pray for Pastor Art as he travels with Pastor Danny to Santa Domingo to establish this new Embassy Training Center relationship and future development of other sites.
